

DISCUSSION OF THE CLAIMS

Claims 2, 14-26 and 34 are pending in the present application. Claims 1, 3-13 and 27-33 are canceled claims. Claim 14 is amended for clarity and to positively recite a step of exposing a substrate to UV radiation. Claim 2 is amended to include features from previously pending Claim 1. The dependent claims are further amended for matters of form.

No new matter is added.

REMARKS

Applicants thank Examiner Fortuna for the helpful and courteous discussions of January 19 and 20, 2011. During the discussions the Examiner kindly suggested an amendment to the claims.

The claims are amended herein responsive to the discussions with the Examiner. Applicants respectfully request allowance of all now-pending claims.

The Notice mailed January 21, 2011 refers to the omission of a Terminal Disclaimer from the May 19, 2010 Amendment. Applicants point out the obviousness-type double patenting rejection was withdrawn in March 3, 2010 Office Action thus obviating the need for a Terminal Disclaimer. Applicants respectfully request withdrawal of the Notice.

The amendment to the claims is made without prejudice and without express disclaimer of subject matter.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, L.L.P.
